

PUNAHOU SCHOOL

General Release, Waiver of Liability and Indemnity Agreement

Participation, Transportation and Travel on School-Related Trips, Excursions and Activities

Students enrolled in the Punahou School JROTC Magnet program may participate in school and after school activities both on and off campus that help to enhance the educational experience and the development of each child. These include but are not limited to: field trips, group trips, excursions or program activities organized by the JROTC department.

Transportation and Accommodations

With regard to off-campus trips, excursions and activities on Oahu, transportation may be provided by the School, by ground carriers not directly associated with Punahou School, or by parents or teachers providing private transportation. With regard to trips, excursions and activities that are off-island or outside the United States, transportation may be by air, ground and/or water carriers not directly associated with Punahou School. Traveling to other places is an enriching experience for students, but may involve risks associated with air travel, staying in a hotel or camp accommodations, and being transported to and from activities and events.

On occasion, students take it upon themselves, outside the school's control, to provide their own transportation and may also provide transportation for others. In those cases, all student drivers are required to carry automobile liability insurance pursuant to minimum statutory requirements in the State of Hawaii. All student drivers must also carry a valid no-fault insurance identification card in their vehicles at all times. Punahou School will not be liable for any accidents, injuries, death or damages, to persons or property, involving student drivers, their passengers, or any third parties, whether for school related or non-school related activities.

Emergency Information and Authorization

In order to assist the School in attending to the health and safety of our child, I/we, the parent(s) or legal guardian(s) of *(print student name)* _____, acknowledge that I/we must give Punahou School a full and complete description of any health condition(s) or medical restriction(s) that my/our child ("our child") may have.

Punahou School will make every reasonable attempt to contact a parent or legal guardian in the event of a medical emergency. I/We authorize Punahou School's employees, agents and chaperones (e.g., trainers, school nurses, team physicians) to: (1) accompany our child to a medical facility; (2) authorize treatment of our child by licensed medical personnel; (3) authorize and permit a nurse or other first aid or safety personnel to administer first aid or other treatment to our child; (4) take any other actions reasonably necessary to treat our child for any emergency (including illness or injury); and /or (5) to use and/or disclose pertinent health information to appropriate Punahou School representatives charged with the supervision and care of our child, other health care providers or health plans for the specific purpose of triage and treatment of any injury or health condition that may arise during a trip, excursion, or activity. I/We agree that any medical insurance that covers our child will be the primary medical insurance coverage for any such medical treatment.

Release, Waiver of Liability and Agreement to Indemnify Punahou School

I/We sign this General Release, Waiver of Liability and Indemnity Agreement ("Agreement") individually and on behalf of our child, in consideration for Punahou School allowing our child to participate in school-related trips, excursions, and/or activities, and assume all risks arising out of such trips, excursions and activities. Use of Student's Likeness and Voice

I/We grant to Punahou School and its affiliates and assigns, the unrestricted right and permission to record, use and publish our child's picture, likeness, image and voice through any medium, for educational, promotional or other lawful purposes with or without our child's name.
